Legend

SkyMinder Rating

Rating	Explanation	Status
SR1	Extremely strong financial fundamentals with a high incentive and capability to repay obligations.	Premium
SR2	Strong financial health with above average capability to meet payments.	Premium
	Stable financial health with above normal operational	

SR3	environment. General unfavorable factors are not likely to cause distress.	Strong
SR4	Normal overall financial health and operations. Capable of meeting its commitments. May be susceptible to difficulties in the event of drastic changes in economic conditions.	Strong
SR5	MonitorAdequate financial capabilities to meet normal commitments. However, adverse changes in economic conditions could lead to doubtfulness in its ability to pay.	Moderate
SR6	Sufficiently sound financial ability to meet normal obligations. Capabilities in reacting to adverse operating conditions are limited or consider doubtful.	Moderate
SR7	Weakness in financial ability is apparent. Vulnerable to environments and is likely to fall into a weakened financial condition.	Monitor
SR8	Apparent weakness in financial health with limited capability to meet its obligations especially in the event of any adverse changes in operating environments.	Monitor
